To whom it may concern:

Mrs. Lemmo did intervention with the 3rd graders last year to help increase fluency expectations and make growth in preparing for benchmarks and MSA. She worked with a small group of children doing Reader's Theater, Fast Track Vocabulary and Fluency Flash Cards.

Mrs. Lemmo worked with our Grade Level Team (Grades 3 & 4) to determine the need and implementation. As a result of her working with this group of students, the students grew not only with everyday fluency but also with benchmark and MSA scores.
